Sir:

In response to the Notice to File Missing Parts of Non-Provisional Application, issued May 29, 2002 in connection with the above application, applicants are filing herewith a Declaration signed by the inventors, and a Fee Transmittal (Form PTO/SB/17) authorizing the charging of the surcharge required by 37 CFR 1.16(e) to the assignee's Deposit Account. The duplicate copy of the Notice also accompanies this filing. Since the claim to small entity form is being withdrawn (see the Withdrawal of Claim to Small Entity Status under 37 CFR 1.28(c) and Payment of Fee Deficiency filed herewith), the surcharge is being paid in the amount applicable for a large entity.

Because one of the inventors is no longer an employee of E Ink Corporation, it was necessary to execute the enclosed Declaration in two separate copies. However, based upon previous experience, the undersigned attorney assumes that this will not be objectionable to the Office.
